

## OCYL in Cumberland, RI is looking for part-time, seasonal teachers/instructors

Do you have a passion for science? Technology? Engineering? Arts? Or math? If you do and love working with children, you might be the right person for OCYL! We have openings for part time, seasonal instructors in our STEAM evening and weekend programming in Cumberland, RI.

***WE URGENTLY NEED CODING (Scratch, Arduino, Python) and ROBOTICS & ROCKETRY TEACHERS!  
Like to teach basic circuits, basic woodworking, sculpture or other skills & trades? Contact us!***

If you'd be interested in running one of our programs or want to brainstorm how to present your passion and ideas for STEAM to students, contact us. You'll collaborate with the OCYL K-12 Program Coordinator to create and/or implement programs and camps to serve Grades K-9 through our STEAMshop initiative. These programs focus on the students' experiences and the processes, more than the final project.

The teacher will be responsible for planning, set-up, and implementation, creating a safe and nurturing environment and communicating positively with students and families.

Opportunities are available for School Year and Summer. Programs typically meet 1x per week for 8 weeks afterschool each season, for multiple age levels or as one-week camps in the summer. Status is as a *part-time seasonal* employee of the Town of Cumberland.

### Requirements

Afterschool and/or school day teaching experience in a professional environment is strongly preferred. Qualified candidates should have a background in the STEAM field to be taught, be a self-motivated, organized, responsible, and love working with youth. All applicants must have legal authorization to work in the United States, an approved Background Check/Fingerprinting and reliable transportation.

### Responsibilities include:

- Work with Program Coordinator to ensure implementation/lesson plans align with STEAMshop mission
- Prep materials for each session, set up and clean up
- Get to know students and take attendance each day
- Ensure activities are hands on and highly engaging
- Follow all after-school safety protocols

### How to Apply:

Please email resume, cover letter/letter of interest, and 2 professional references to
