Cumberland --

The Town of Cumberland will begin weekly segregated curbside yard waste pick-up on Tuesday October 10, 2017. This year, the fall collection season will continue weekly through Friday December 15, 2017.

During this time, yard waste is collected on the same day as your trash and recycling, but with a separate collection truck. Residents are not restricted to the number of brown leaf bags collected per week. Households are reminded, yard waste is only accepted if placed in paper leaf bags or small bundles of branches, no longer than 3 feet long. **Yard waste in cans or plastic bags, will not be collected.**

Yard waste is defined as leaves, grass clippings and small branches. No trash, stones, or sand can be mixed in.

Further information is available on the Town website or by contacting 728-2400 x 155.
