Cumberland---

The Town of Cumberland in coordination with RI Department of Transportation (RIDOT) will be holding a Residential Community Outreach meeting for the Diamond Hill Road Roundabout Project. The meeting is scheduled for July 9, 2018 from 6 PM to 8 PM at the Cumberland Public Library Community Room located at 1464 Diamond Hill Road within the Monastery grounds.

The meeting will have Town of Cumberland Officials along with Officials from RIDOT on hand to present project information such as how residents will be affected, what to expect with traffic and the benefits following the completion of the Roundabouts. Officials will be available to answer questions from residents after the presentation of material.
