TOWN OF CUMBERLAND

Building and Zoning Department

Commercial permit fees shall be as follows:

Gasoline stations. The fees for the erection of gasoline station buildings shall be the amounts specified in the schedule of permit fees in Subsection (a) of this section, and in addition there shall be a fee of \$50 for each gas pump and a fee of \$25 for each tank for petroleum products.

Moving buildings or other structures. The fees for the moving of buildings or other structures shall be as follows:

- a. If relocated so as not to involve the use of public highways in the process of moving, the fee shall be \$10.
- b. If not more than 2 1/2 stories in height and involving use of public highways, the fee shall be \$25.
- c. If more than 2 1/2 stories in height and involving use of public highways, the fee shall be \$50.

Demolition

The fees for the demolition of buildings or other structures will be in accordance with the following table:

From	Volume in Cubic Feet To	Fee
0	5,000	\$5
5,000	25,000	\$15
25,000	100,000	\$30
100,000	500,000	\$50
500,000	1,000,000	\$75
1,000,000	No limit	\$100

In accordance with the state building code, G.L. 1956, §§ 23-27.3-113.1 and 23-27.3-118.0 when a permit is required, failure to comply with this provision shall include the following:

Late filing fee. If an owner or agent files an application for the required permit after work has commenced or has commenced work prior to the issuance of the required permit, a late filing fee shall be added to the normal fee that would otherwise apply. The late filing fee shall be double the normal fee.

Failed inspection fee. For a failed inspection, a fee of \$25 shall apply for the necessary reinspection of the corrected work.
