Travel to Plymouth, MA to celebrate the 400th anniversary of the Pilgrims' landing in 1620. Visit **Plimoth Plantation** and experience the Pilgrims' way of life and their relationship to the Wampanoag people. You'll mingle with costumed interpreters and view live demonstrations of blacksmithing, cooking and farming. At mid-day, savor a **Thanksgiving lunch** and learn how to "eat like a Pilgrim." (sorry no forks in the 17th century). Narrated by a museum educator, you'll take an intriguing journey back to the 17th century and learn about the traditions of the first Thanksgiving. Later join a local guide for walking tour of Plymouth's historic waterfront area. You'll walk in the footsteps of the founders to view the first street in Massachusetts, **Plymouth Rock**, the Town Brook as well as numerous monuments that commemorate America's first generations. Later board a detailed replica of the **Mayflower** to relive the Pilgrim's historic 65-day journey from England. Before departing for home we make a stop at the **National Monument to the Forefathers**, a most impressive solid granite monument built in honor of the Pilgrims.

Day of features are interchangeable.
