

## TOWN OF CUMBERLAND

### Senior Center

#### Day Trips

One of the most popular offerings of the senior center are its “day” and “long term” trips offered to various locales. Places visited in the past include Indian Head, New Hampshire, Foxwoods Casino, Mohegan Sun Casino, Cape Cod, Newport, Atlantic City, Bar Harbor, Maine as well as spectacular cruises through the Panama Canal, Bermuda and to the Caribbean. All trips are posted by Pat Bateman on the Bulletin Board so that you can sign up during any visit to the Center. Of course, space is limited on all of the trips and seats go on a “first come, first served” basis.
