Senior Center Building Committee Updates

Here are the most recent updates from the Senior Center Building Committee, which is tasked with overseeing the renovation work at the center:

1. The Town of Cumberland went to bid and received two bids for the heating of the building. A vendor will be chosen on 03/05 at the next committee meeting. They hope to begin work in April.
2. There is currently an RFP out for electrical upgrades to the building which is due on March 12th.
3. In late March the Town will be going out to bid for the kitchen work and for the portico design.
