

OCYL Summer 2020

Description for Early Childhood Summer Learning Bundles

Try our Early Childhood “Summer Learning Bundles”, created by our teachers, using fun Literacy and Number Sense summer themes: The Ocean, Camping & Hiking, and Summer Foods. Levels A & B will be offered. The Preschool Science Bundle is “Bugging Out! for ages 4-5.

Each bundle includes printed activities & materials, and interactive videos of our teachers creating fun engagement through theme introductions, storytimes and songs.

After you register, links will be sent to you via email and bundles will be available for contact-less pickup at OCYL.

Each themed bundle contains appropriate level activities drawn from Literacy and Number Sense components/skills, such as:

Literacy

- Theme song sheet
- Create a puppet, or art piece
- Teacher created theme book
- Theme Bingo
- Activities that support 2 focus letters: letter recognition, letter formation, initial letter sound
- Rhyming activities
- Memory games
- Theme journal
- Storytimes & songs

Number Sense

Four Number Sense activities pulled from the following math topics:

- Number recognition
- Number formation
- Counting & Comparing quantities
- Shapes
- Patterns
- Sorting
- Measurement
- Graphs
- Addition
