#	RESPONSES	DATE
1	A world class mountain biking trail system/center would bring much commerce to the area. It has already begun and could be so much better.	10/16/2020 6:26 PM
2	Improvement of the stage area is a must, it's dangerous for children. They're often drawn to the "water". That either needs to be cleaned out, with a higher wall and maybe a fountain. Or, completely demolished and replaced with grass or gardens	10/14/2020 6:28 PM
3	More cleaning days. Requirements for groups using the park to clean up after themselves. More hiking and biking events for kids	10/11/2020 8:56 PM
4	Nature programming, conservation of the environment and trails are important and needed in our area.	10/10/2020 6:07 PM
5	When Mayor Mutter was on the Council, he pushed through an ordinance prohibiting any and all improvements at the Monastery, including expanding the senior center and using only ten acres for a safety complex. We thought at the time that he was selfishly acquiescing to the wishes of relatives and friends who lived nearby, not considering the welfare of all the town's residents. Now he's all on board developing Diamond Hill Park with no consideration for nearby residents. For us, the park can be a nuisance, what with the traffic and the noise and the litter, which year after year, my wife and I have picked up on Yellow-Bag Day. So we're against any development at the park until we see some equitable development on the Monastery grounds, which are more central and are more extensive. Mr. Neville and the other commissioners, that's our opinion.	10/10/2020 1:57 PM
6	I'd like to see some play equipment to make the park friendlier to young families.	10/9/2020 11:43 PM
7	Playground	10/9/2020 12:53 AM
8	Food truck nights, concerts, Cumberlandfest, Halloween activities,	10/8/2020 11:58 PM
9	More community events there like when I was growing up and a return of a functioning ski/snowboard/sledding area	10/8/2020 2:17 PM
10	All those suggestions sound good.	10/8/2020 5:54 AM
11	Better entrance and exits for cars would be very helpful, too.	10/7/2020 9:47 PM
12	PLAYGROUND!!!! Splash pad and more events!!	10/7/2020 9:43 PM
13	Give it back to the wildlife it has been taken over and trashed by riffraff people and out-of-staters. Need a 24 hour park ranger to supervise or install gates at all entrances and lock them after dark.	10/7/2020 4:14 PM
14	Suggesting to host an annual outdoor multi week or multi days European or NYC like Christmas village /square where there are kiosks for food and merchants. This should be holiday themed to make it more fun and attractive to sellers from across the state or even neighboring states. This event would hopefully motivate people to be outside and create a new tradition during the festive year end season. The park could also host other big multi days annual events such as spring plant sale, summer cook-off, fall festivals among others. Our family is looking forward to the improvements to Diamond Hill Park. Thank you for taking time to hear the residents feedback.	10/7/2020 2:26 PM
15	All of the above events sound like great ideas and my family and I would gladly attend. The park in its present condition, however, causes us to think twice before we go. There is trash and glass throughout, the grounds are seemingly never maintained, brush needs to be cut back or removed entirely, new trees and gardens need to be planted. The park has so much natural beauty that is hidden by our neglect in maintaining it. If the park is utilized by groups making a profit of it (haunted hill), there needs to be over site of what they actually do to the property. Walkthrough the woods just off the paths and you will see debris dumped throughout and trees with boards nailed to them in order to support whatever they saw fit. I don't mean to knock the events, they just need to be held accountable. The park has the potential to be beautiful and at one time was a draw for people across the northeast to visit. It shouldn't be far fetched to return it to this form even amongst Rhode Islanders. This should be a place enjoyed year round! I also think reenvisioning the area as a sledding venue with tow rope would be a great draw. A splash pad for kids to enjoy in the summer would also see a lot of use. There is plenty that can be done here. I really hope this is well thought out before any definitive action is done so that it's potential is fully utilized.	10/6/2020 10:06 PM

16	open trails that can be used by off road dual sport motorcycles.	10/6/2020 8:58 PM
17	I recommend that trails dedicated to dual sport motorcycles be added.	10/6/2020 10:18 AM
18	Concerts	10/6/2020 9:13 AM
19	I've lived in Cumberland my whole life. As a kid, my family would spend so much time here. Whether we were running around in the summer or sledding in the winter, we were having so much fun. As a parent now, I love that I can make more memories with my family. Guided nature walks, movie nights, seasonal celebrations and food truck nights all sound wonderful!	10/5/2020 7:54 PM
20	Movie nights, we enjoy things like winter fest etc	10/5/2020 7:09 PM
21	Movie nights and concerts for little kids	10/5/2020 6:58 PM
22	I would love to see a splash pad!	10/5/2020 6:51 PM
23	Seasonal celebrations, more family events, guided walks.	10/5/2020 6:26 PM
24	I personally think having events in the park is good thing for people. More events the more money comes into the town for up keep of the park .	10/5/2020 4:35 PM
25	We would enjoy food trucks, concerts, nature walks, Christmas sleigh rides, Star/constellation guided walk, sledding hill, skateboarding area, outdoor fitness equipment area or pieces along trails, petting zoo/pony ride event, craft/woodworking event, archery class, paint ball.	10/5/2020 4:01 PM
26	A dog park area would be great - fenced off with places to put dog droppings.	10/5/2020 3:55 PM
27	concerts, kid friendly music shows	10/5/2020 3:38 PM
28	The park is absolutely amazing for any kind of event. I would love to see some obstacle courses for kids or even just a playground. Theres so much that could possibly be added as a visitor eye catcher. The park is beautiful but it could use some more beauty to make even more beautiful!	10/5/2020 3:31 PM
29	Concerts, food truck nights, movie nights. Main concern is better access and paved paths for mobility scooters/wheelchairs and increased HP Parking spots.	10/5/2020 2:57 PM
30	As a lifelong Cumberland resident I feel that the park is an important part of our community and has a huge potential in many areas. I'm personally thrilled that finally it's getting a much needed makeover and am sure it will be utilized more in the future with some or all of the proposed improvements.	10/5/2020 2:12 PM
31	Food truck nights are fantastic! Movie nights for the kids would be awesome to do again. Concerts would be a great outdoor activity as well. I remember as a kid Cumberlandfest being a huge town wide activity, I would love to see it brought back in a large scale how it used to be.	10/5/2020 2:07 PM
32	concerts, movie nights, festivals	10/5/2020 1:03 PM
33	1. Cleanup all along road. Use it as a point of pride in the town. There is a beauti full little pond and rock outcrop across from ice cream place, make it into a.mini show place. Millions of town taxes spent on fields, show them off. 2. At the top of big hill, make an observatory, thin out the trees so that the town and reservoir can be viewed by anyone willing to make the hike. 3. The natural rock to the left of the big hill could be a hiking/climbing area for older children, possible bmx bicycle trails. 4. Anyone of the hills could be reactivated for winter fun. Tubing or learn to ski areas. 5. Lots of space is available for growing many specimen plants, like found in more formal parks.	10/5/2020 11:50 AM
34	Children's play area will get many more people into the park regularly and will help support all other uses of the park. More organization of trails will help people feel more comfortable. Use of space such as food truck nights and concerts / movie nights can help bring revenue to the town while providing a great place for people to come together.	10/5/2020 11:41 AM
35	Public art, gardens and nature trails	10/5/2020 11:20 AM
36	more food truck nights	10/5/2020 10:53 AM
37	We love all of the community activities and would love to see more and enhanced offerings.	10/5/2020 10:52 AM
38	I feel the park itself is underutilized. However, with new amenities we may have to consider	10/5/2020 10:32 AM

	Park staff presence and security because we know whenever opportunities arise in a wooded area some people will take advantage.	
39	Food truck nights are great! Encourage other projects like mountain bike races, trail running races, obstacles course races!	10/5/2020 10:28 AM
40	Guided nature walks would be great! I can't even find a trailhead... I never feel like I have used the trails to the capacity... I can never get more than a mile or two in before I get frustrated	10/5/2020 9:07 AM
41	Need to have a nice, safe sledding hill for winter.	10/5/2020 8:43 AM
42	Fix those lots once and for all	10/5/2020 8:24 AM
43	I would like to have maybe Boy Scouts Mark our trails for hiking update bathroom Diamond hill should be used for people to enjoy the outside. We have beautiful grounds we need to utilize them Make Cumberland a place for people to come and enjoy	10/5/2020 8:13 AM
44	Love the park the way it is!	10/5/2020 8:04 AM
45	The events are great and being community	10/5/2020 8:03 AM

49	Food trucks, Concerts, an event for kids, touch a truck event	10/5/2020 2:49 AM
50	Concerts and movie nights would be great	10/4/2020 11:06 PM
51	The pond is an eyesore and I hope the plan to clean it will work. It's unfortunate it can't be removed. Concerts would be great if the stage and seating are improved.	10/4/2020 10:32 PM
52	Kids spray park, gardens to walk and picnic in	10/4/2020 10:20 PM
53	The reflecting pond in front of the stage is a joke. Knock the walls down and fill it in. that will make a huge impact on the quality of future performances.	10/4/2020 10:17 PM
54	Concerts, movie nights, food truck nights, and hiking tours/group meets would be great!	10/4/2020 9:27 PM
55	guided walks concerts athletic/exercise programming	10/4/2020 9:06 PM
56	small hill ropetow 15 lights 2 fan snow guns .and a water pump for snowmaking. It would be nice to see the kids skiing again. Hey can't a guy dream *[]	10/4/2020 8:54 PM
57	Yoga	10/4/2020 8:43 PM
58	The park is beautiful but has gone down hill over the years. Let clean it up make it joyful for all ages	10/4/2020 8:38 PM
59	Seasonal events, nature walks	10/4/2020 8:26 PM
60	Movie nights, hiking, food truck nights	10/4/2020 8:19 PM
61	The Ski Lodge holds some fond memories to me and my family. I grew up dancing their since 2000. That building is a wonderful location and needs updating to house such an amazing program such as the dance program that is their now. They deserve an amazing home to teach the child of the town this amazing art.	10/4/2020 8:15 PM
62	I would love to see areas for children's play equipment. The playground at the monastery is great but is often crowded.	10/4/2020 8:12 PM
63	Have a lot of fun at the events at the park but it needs upkeep. Pond near stage is run down, ski lodge itself smells bad inside, and no restrooms.	10/4/2020 8:06 PM
64	I realize that my three choices are very important. However, I also feel that five or six choices would be a great start	10/4/2020 8:04 PM
65	The lodge will definitely need an overhaul if the plans are to use it (not sure what for though). There is a terrible odor (mold, maybe)in that building. As a dog owner, I'd caution the use of Diamond Hill for dog walking, play area. People do not clean up after their dogs and tax payers shouldn't be on the hook to employ someone to clean dog waste.	10/4/2020 7:47 PM

66	It would be nice to fix the fence around the field so you can walk complete around when soccer is not in season. When the gate is locked, you have to walk in the through way. Nice lighting so people could walk in the Morning at night would be nice. .	10/4/2020 7:47 PM
67	Nature walks!	10/4/2020 7:46 PM
68	I am pleased with the proposed changes to the park. My concern is the opportunity for vandalism as areas are improved. Thanks for focusing on park improvements!	10/4/2020 7:37 PM
69	Food truck nights are wonderful. Events that take over the Park for months at a time are not appropriate for the Park. Also, there needs to be supervision at the Park during set up all the way through clean up after events are over. This lack of supervision is allowing those who rent the Park to destroy it. Finally, there should be volume control from the stage during concerts. These concerts can be heard all the way up to the Ski Valley condos.	10/4/2020 7:19 PM
70	I'd like to see the continuation of the holiday events (allowing 13th world and the Christmas trail/lights events). Those events draw people to the park, make them want to come back and help fund other recreational events. Without these events, the town is not on the map and is not the same	10/4/2020 5:13 PM
71	I love going to events at the park, fun times with family! Keep up the good work!	10/4/2020 5:12 PM
72	I love it	10/4/2020 3:55 PM
73	It would be great to have a dog park. And well marked trails with maps posted throughout the park.	10/4/2020 3:22 PM
74	I'm all for new projects but I am really disappointed how the park is currently kept. Haunted hill absolutely destroyed naturally beauty. I grew across the street from there and it is a shame the mess they made of. Hopefully the park will be returned to a better state and people can use it	10/4/2020 3:02 PM
75	I love that park its peaceful	10/4/2020 2:31 PM
76	The Hiker Trails make more Hiker Friendly	10/4/2020 2:25 PM
77	Love all they do at the Park - Haunted Hill, Christmas, Food Trucks, Concerts	10/4/2020 2:17 PM
78	I like Cumberland fest too	10/4/2020 2:04 PM
79	I love all the event you hold keep up with the great work could use some park updates and maybe staff on duty or security would be nice to help keep bums out	10/4/2020 1:24 PM
80	I love the special events here. It's what makes Cumberland special. I love the holiday events. This is a great place don't let it go to waste	10/4/2020 1:11 PM
81	I	10/4/2020 12:56 PM
82	Concerts, movie nights, food truck events	10/4/2020 12:48 PM
83	23th world and Winter fest are family favorites, we enjoy the food trucks, car shows and concerts.	10/4/2020 12:40 PM
84	I enjoy all of the events that are held in the park. The Halloween and Winter lighting one are my favorites. It really provides a great family experience. I love bringing my daughter here because it is safe and fun and gives her a nice sense of community. We have met many great people on our trips to Diamond Hill Park. It's a very appreciated place for our family.	10/4/2020 12:36 PM
85	I enjoy all the events held at the park. Please continue to have them as they are a nice way to spend an afternoon	10/4/2020 12:35 PM
86	I love diamond hill state park great location for events I do wish a play ground could be added being that there is no near by playground	10/4/2020 12:26 PM
87	All my family and friends really love the use of the park. Having a space to walk, picnic and attend so many great events. Please keep up the great work	10/4/2020 12:11 PM
88	I love when 13th world is there and brings the town and brings people in to visit the town and show them something cool in the town....	10/4/2020 12:10 PM
89	Cumberland Fest, 13thworld, food truck, fit challenge.	10/4/2020 12:03 PM

90	Nature walks and other educational events. A safe, clean environment for families and others to enjoy.	10/4/2020 9:33 AM
91	Seasonal celebrations, movie nights, food truck nights, ice skating, snow tubing, snow shoeing, LLBean free nights- star gazing, hiking w/kids, winter snow showing, etc.	10/4/2020 9:18 AM
92	Family events concerts and things that make use of the landscape.	10/4/2020 7:48 AM
93	food truck nights are great ! lighted baseball / softball fields please please ! and please, a less bumpy parking lot :)	10/3/2020 10:44 PM
94	Summer night music performances, dog park like Pawtucket with small & large dog area. I think a water splash park and some swings would be great for families with little ones.	10/3/2020 9:12 PM
95	This should be used for events that involve the community	10/3/2020 8:42 PM
96	Seasonal celebrations, food truck nights, movie nights, parking lot need a lot of work	10/3/2020 8:01 PM
97	Would love guided nature walks. Grew up loving this place. My dad brought me skiing there. Seeing it maintained is just wonderful!! Thank you	10/3/2020 7:09 PM
98	Guided nature walks sound wonderful.	10/3/2020 4:38 PM
99	Living across the street from the park near the softball field, I have a strong concern about the back entrance/exit to have it clearly defined as to what it is. Is it an Exit and entrance or both? There are number of occasions of blaring horns , squealing tires and near accidents occur. There is a one 'one way' sign pointing in, but that seems useless. With the speeds of travel (should I say speeding) on Diamond Hill Road, this exit/entrance or both needs to be made clearer.	10/3/2020 4:13 PM
100	It would be nice to see a natural playground like the one at the world war 2 memorial park in plainville. A way to incorporate gardens and play equipment.	10/3/2020 1:47 PM
101	Ropes course? Trails? Water pads, more community festivals, food trucks, concerts, make it a place for community to come together	10/3/2020 11:18 AM
102	All the coyotes are a big worry for our safety.	10/3/2020 11:09 AM
103	Movie nights, food truck nights, seasonal celebrations Thank you!	10/3/2020 10:48 AM
104	Some resources for bike trails would be great! They are all maintained by volunteers.	10/3/2020 10:44 AM
105	With improved trails and facilities park could be utilized by everyone not just sports teams	10/3/2020 10:06 AM
106	I would like to see dedicated rules for using the park and cleaning up after each and every event that is held there. It is so unfair to expect volunteers and town residents to clean up the mess organizations make and just leave. Perhaps make them post a bond to cover cleanup until they have cleaned up after themselves.	10/3/2020 9:37 AM
107	Stop allowing outside vendors to come in and use the space for events.	10/3/2020 9:14 AM
108	I used to live in the house at the entrance of the park (now the office) from 1975-1993 as my dad worked for the state and would patrol the park. I remember there would often be Sunday afternoon music concerts (mostly classical). People would bring chairs, blankets - it was nice. That would be something good to bring back. Maybe the same could be done in the evenings/project a movie on the stage, have people sit out? Love the idea of public art, too. I visit every so often and the back of the stage area that smelled of urine and had graffiti was not cool. Maintenance could definitely be better. I haven't visited in a while, so hopefully it is better. All of my elementary school field trips were here back in the day!	10/3/2020 8:14 AM
109	Movie nights, sports events, concerts	10/2/2020 11:43 PM
110	Thank you for finally doing something with the park, this is much overdue! Please take a look at Deerfield Park in Smithfield for ideas, it is well designed. The pond in front of the stage is an eye sore and most importantly a safety hazard. So many times I have worried my kids would fall in whether from playing on the stage or walking around the pond. I have to have my pool fenced in my yard but not this man made pond? Any events in the future would be welcome. My family would mostly use the park for hiking, biking, pump track, and skate park. A display about the park history, fauna, animals, and trails would be nice like the one at Lime Rock Nature Preserve in Lincoln.	10/2/2020 10:05 PM

111	food truck and entertainment (music) arts & craft fairs, flea market or farmers markets	10/2/2020 9:23 PM
112	Nature: Mushroom hunting, Wild edible plants, Ecology, Hiking Club, Yoga, Forest bathing-walk of Shinrin-yoku, Qi Gong , Tai Chi, Park Sustainability, and things mentioned above too!!!	10/2/2020 7:58 PM
113	We really enjoy the Christmas train and the haunted Hill as well as Cumberlandfest and fireworks. The stage could be improved and we would really love to see that pond cleaned up with maybe a working fountain to circulate the water.	10/2/2020 3:21 PM
114	Live music/ performance	10/2/2020 3:09 PM
115	Having a playground at diamond Hill Park would be such an improvement for the diamond Hill and Arnold Mills neighborhoods. As of now, our only available playground is at the monastery, a 15 minute car ride. A playground at diamond Hill Park would be a walk or bike ride after dinner. So much more convenient! What an added amenity this would be for residents.	10/2/2020 12:28 PM
116	Movie nights would be wonderful especially after this year. More performances would be wonderful	10/2/2020 11:06 AM
117	A playground ! Marked walking trails and lighting. Winter use such as dedicated sledding /tubing	10/2/2020 8:08 AM
118	Better running track- cleared of debris. Fenced in area for a dog run. Yoga, concerts.	10/2/2020 7:34 AM
119	My parents live in Cumberland. A dog run and events for seniors would be great	10/2/2020 6:33 AM
120	All of the programs mentioned would be great!	10/1/2020 10:45 PM
121	Please improve the parking and clean up the pond. Please get rid of Haunted Hill -- it's a disaster.	10/1/2020 9:04 PM
122	Guided nature walks/runs, concerts with food trucks, maybe an octoberfest night with beer etc,	10/1/2020 8:39 PM
123	This is such an underused asset to our community. I'd love to see more fitness group classes offered at the lodge, and a nice playground for kids!	10/1/2020 6:12 PM
124	Concerts and other kinds of Performance based entertainment- comedienne, puppet show, Movie night maybe And security is critical - want to be sure that all the investments that are planned will be maintained and protected	10/1/2020 1:51 PM
125	I have no final comments. Thank you.	10/1/2020 12:06 PM
126	Guided nature walks and seasonal celebrations sound great!	10/1/2020 10:12 AM
127	The sports fields are great but I would like to see more opportunities to fit all ages. Gardens, landscaping with pond, play area similar to the monastery, weekly walking/tour guides to highlight our history, etc.	10/1/2020 10:00 AM
128	Movie nights, concerts, anything that can bring the community together.	10/1/2020 9:29 AM
129	Maybe arts and craft nights	10/1/2020 9:27 AM
130	There are very few places in Cumberland for children to play. Would love to see an extensive playground put in.	10/1/2020 9:24 AM
131	I think a couple of movie nights each year would be great. Slater Park has an event with a great band and then a RI orchestra that we love every year. Something like that with food trucks is great for every age. Having something like Monkey Trunks set up a ropes/climbing area for a few months each year. People reserve a time and enjoy the area while they're here. In our experience Cumberland doesn't get to host a lot of tournaments because the fields don't have lights, concessions or bathrooms. That may not be doable with only one field for baseball and one for softball but bathrooms are important. Teams could order from food trucks if properly planned. Getting people here for the weekend to enjoy the area and local restaurants would be nice. Marked trails would be great! Maybe a place to refill a water bottle.	10/1/2020 9:11 AM
132	Our town does an amazing job at providing activities for the families of Cumberland. We have danced and played soccer and baseball for 7 years. Thank you for all you do!	10/1/2020 8:28 AM
133	you need to clean up the pond and brooks in and around the stage area back to its former beauty. also don't plant trees on the last remaining ski slope. it is a shame you let the big hill slope fill in with trees. it was a wonderful place to hike up with beautiful views. now the paths	10/1/2020 8:04 AM

are just eroded loose gravel through trees and you can't see a thing. you should knock them down and plant grass - bring it back to how it was!

134	The parking lot is awful. It needs to be paved. Every time we drive through are cars are visibly filthy. The ski lodge is very small and very dated given that the rec dance program is a huge asset to this town. It would be wonderful for that to be re-vamped.	10/1/2020 5:58 AM
135	.	10/1/2020 12:46 AM
136	It's great to see the area used for events such as food trucks and cumberlandfest	9/30/2020 10:12 PM
137	Movie nights, fall activities	9/30/2020 9:18 PM
138	I think a sprinkler park would be amazing!	9/30/2020 9:16 PM
139	Love the food truck nights.. .. id love to see water in the area by the stage again.. maybe in winter a nice ice skating place	9/30/2020 8:55 PM
140	Tear down the ski lodge. It is infested with mold and mildew	9/30/2020 1:27 PM
141	I'd love to see maps of hiking trails well posted. I've wandered but I don't see many marked trails like at Mercy Woods. Also, off-leash dogs are a problem.	9/30/2020 1:24 PM
142	I'd love to see an ice rink added to the park, much like they have in woonsocket...	9/30/2020 12:37 PM
143	Id be happy to get involved in this committee. What a wonderful asset this park is. Sadly, it is misused. Lots of revenue can come from many events. We have a gold mine let's get using it.	9/30/2020 11:34 AM
144	Ongoing clean up and maintenance is my first priority. I have lived in Cumberland for only 3 years- I remember the first time I went to diamond hill- I was disgusted by the amount of trash / litter around and the state of the "pond." Frankly, it was a disgrace and clean up with constant maintenance is much needed.	9/30/2020 10:55 AM
145	Nature programs for children including caring for and respecting the earth by not littering. Camping should be allowed... especially scout camping. The scout programs could help kids learn about nature and giving back by doing ongoing maintainance at the park with special projects for upkeep and beautification of the park. Also a park campground could be opened bringing in money for the town and generating more business traffic for the community.... and being so close to Gillette Stadium it could be a destination for travelers to camp overnight.	9/30/2020 10:08 AM
146	I think the park is an amazing venue and can be used more often. The stage in particular could be used for music, plays or any other performing arts production. it could also be rented out to organizations for productions which would create extra revenue for the community. I also think using the pond in the winter time for ice skating would be nice and it could also be a fee based structure in which ice hockey teams could pay to use the space for practice and games, the rec dept could offer ice skating lessons for a fee and an open skate time could be offered to the public for a fee too. It would be nice for the rec dept to offer more programs for residents as we have an amazing town along with public space which is under utilized. I also feel that when public space is rented out for events the organization that rents the space should be 100% responsible for making sure the space is cleaned up afterwards. Thank you	9/30/2020 10:00 AM
147	I understand it's not possible, but the reflecting pool was poorly designed and takes up so much space. I would love to see that area repurposed. I like the special events... but some of them come at a cost to nature and that should be considered. Love the idea of nature walks and dog runs. Love what Mayor Mutter is doing to enhance our town!!	9/30/2020 9:55 AM
148	I think it would be great if you can find a way to balance the use of the park with the nature of the park. In other words you can find ways to be sustainable without being reckless.	9/30/2020 9:47 AM
149	none	9/30/2020 9:18 AM
150	I am excited about the idea of this area being developed and envision an area with improved ball fields, a better ski-lodge facility (community space), best in class jogging (hiking trails) trails for hill runs and a gem of open space for our town.	9/30/2020 8:15 AM
151	Concerts in the park/movie nights would be great! I think the park needs an over facelift for a more esthetic appeal. It would be great to be able to tent out the building for parties/etc if it were updated.	9/30/2020 8:04 AM
152	Food truck nights are amazing! I'd also like to see a large splash pad for children to use.	9/30/2020 7:53 AM

	Charge a fee if you need to, one for cumberland residents should be cheaper than non residents	
153	Concerts, nature walks and hikes, outdoor movies, holiday programming (halloween haunted park, etc). DH park could be a gem but it is so run down Glad to see that it is getting a much needed face lift.	9/30/2020 7:26 AM
154	It would be nice to put a historical marker there telling the story about indigenous tribes that inhabited (and still do) this region.	9/30/2020 7:17 AM
155	The main improvement I would like to see at the park is that the reflecting pool is cleaned out and then maintained	9/30/2020 7:14 AM
156	Seasonal celebrations, movie nights, food truck nights, Dog walking opportunities, mountain biking, clean up of the pond and grounds, involving the schools and kids	9/30/2020 7:14 AM
157	Out door summer concert	9/30/2020 7:06 AM
158	Concerts, sporting events (endurance races like Ironman competition, baseball or softball tournaments), farmer's market.	9/30/2020 7:05 AM
159	Guided nature walks; art festivals; marked trails; rest points with nice views of the beautiful park	9/30/2020 7:00 AM
160	Food truck events	9/30/2020 6:45 AM
161	Having events that bring the community together are great. Guided walks & hikes would be awesome. Other unique pop up movement activities - disc golf, biking demos, sledding-type activities would be a draw.	9/30/2020 6:07 AM
162	Diamond Hill park is a beautiful piece of what makes our town amazing.. Making it a place where we can use it for sports and picnics only makes it a better place to have..	9/30/2020 6:02 AM
163	Food truck nights Guided nature trails Fishing derby Rest room upgrade at the park and added to the rec programs near the playing fields Food stand building near the playing fields Concerts Flea markets Farmers market	9/30/2020 5:50 AM
164	More events that use the stage. Music, entertainment. Hiking trails, paths need to be marked better.	9/30/2020 12:35 AM
165	It would be great if an area could either be a dog park or just a small area where dogs could be off leash. I've lived in Cumberland for a few years now and a place for my dog really dictates where my husband and I will go. More nights like the Food Truck night (Covid aside) would also be great as those are fun to attend.	9/30/2020 12:07 AM
166	Updated soccer fields specifically for soccer only. We have no designated soccer fields in our town. Updated lodge especially for the dance program.	9/29/2020 11:39 PM
167	Movie nights	9/29/2020 10:32 PM
168	Movie nights, social gatherings	9/29/2020 10:28 PM
169	We travel all over with my daughter for soccer. Some towns have beautiful fields and facilities. Cumberland has a lot of youth sports programs and we should strive to have better fields to support our young athletes.	9/29/2020 10:18 PM
170	Diamond him park has always been a place to bring people together. Remodeling, cleaning and fixing it up will help bring even more fun to nature!! The dance program and many other programs are wonderful for the community!	9/29/2020 10:05 PM
171	Food truck nights, winterfest, movie nights, live music, recreational sports, sledding, etc.	9/29/2020 10:03 PM
172	Concerts to raise money. Waste of an amazing place for the town	9/29/2020 9:59 PM
173	Keep the amazing dance program going in a new and safe ski lodge.	9/29/2020 9:53 PM
174	Seasonal celebrations (Oktoberfest, winterfest, summer fest). Improved trails or guided nature walks. Sledding park or skating rink. More winter activities or better utilized for winter gatherings and events. Would love another playground or kids play space - zip lines, splash pad.	9/29/2020 9:05 PM
175	Walking paths, hiking trails. Benches restrooms. I answered on question 8	9/29/2020 8:56 PM

176	outdoor yoga classes, I'd like to see kids be able to just play like kids instead of having fields locked up and reserved for sports teams that don't want their grass damaged.	9/29/2020 8:34 PM
177	Please do not change this natural space too much. Keep it in it's natural form.	9/29/2020 8:29 PM
178	A Splash pad and playground would be awesome!	9/29/2020 5:58 PM
179	Concerts, movie night, food trucks	9/29/2020 3:09 PM
180	Fix the parking lots.	9/29/2020 1:57 PM
181	concerts	9/29/2020 1:21 PM
182	Seasonal celebrations or cultural events are great! But I would like to see the park become and example of a native habitat with outdoor learning and classroom opportunities. When pond and surrounding area is cleaned up would be nice to have that area and other areas around the park planted with native species. A great opportunity to show the benefits of native planting! Good opportunity for local gardening/ecology groups to get involved. Also would love to see some public art! deCordova Sculpture Park is a wonderful example of what this space could be.	9/29/2020 12:04 PM
183	Food truck nights and seasonal celebrations would be great	9/29/2020 11:17 AM
184	Actually would like something in place for our teenagers. Skate areas, ice skating, Hockey in the winter maybe, create a rec. Team. Add some water features with a playground/area for little ones and big ones.	9/29/2020 11:00 AM
185	Love the idea of guided nature walks. Additionally, as a life long cumberland resident, maintaining our wooded areas & wildlife is very important to me. Although I've only hit my mid twenties, I've seen countless areas of this town have lots stripped down, and then left. I'd like to suggest not only a focus on native plants, but also additions of "critter homes." This could range from butterfly houses, to bat houses (they'll help with pest control too!). Or leaving certain wooded areas untouched, to preserve wildlife habitat.	9/29/2020 10:25 AM
186	Making the performance stage viewer friendly the pond takes away the intimacy of seeing a performance, you have to watch from so far away. If the pond were to be removed the town could have more willing acts go perform there. I think a weekly walk through of all the paths for trash pickup and removal would be fantastic too .	9/29/2020 10:16 AM
187	I would love a dog park first and foremost. Some activities if the pond area is cleaned up bring in local bands for concerts at the diamond with food trucks.	9/29/2020 9:48 AM
188	We need better athletic fields in town. Many cities/towns have entire complexes for youth sports with turf fields etc. Cumberland needs to improve to be in line with these other towns.	9/29/2020 9:43 AM
189	Would love to see some live music and events on the stage	9/29/2020 9:38 AM
190	N/a	9/29/2020 9:07 AM
191	Would love to see more town sports for kids like archery programs.	9/29/2020 8:22 AM
192	Fill in the Pond; install an outdoor movie screen and in addition to concerts on the lawn offer an outdoor summer movie series for families.	9/29/2020 8:10 AM
193	The food truck events are very enjoyable and we hope to see them continue. The walking paths could use some updating in the future and the cleanup of the reflecting pond would be amazing. Parking seems to still be an issue when there are double events the athletic fields and ski lodge. Expanding parking into the wood adjacent to the lodge could be an idea.	9/29/2020 7:56 AM
194	i would like to see a real community space to be enjoyed by all. Either those there for exercise, woods exploration, entertainment, athletics, child play, family gatherings, and dog walking. Its such a great space that if done correcrly gould really be an asset to our community and cumberland. We.could have concerts and flea and farmers markets art exhibitions just soooo much potential!	9/29/2020 7:10 AM
195	The lodge has an odor that has been part of it for decades, and any improvements should eliminate that odor. A full rebuild would be appropriate and the space large enough to accommodate many events and rentals, as appropriate.	9/29/2020 7:05 AM
196	Nature walks movie nights, winter activities	9/29/2020 6:49 AM

197	A playground and/or splash pad would be a great addition.	9/29/2020 6:49 AM
198	I would like to see a dog park and the parking lot paved.	9/29/2020 6:34 AM
199	No more events, keep it as a nature area. Lots of trash left by events and not cleaned up. More picnic areas, need restrooms	9/29/2020 6:29 AM
200	All of the above sound great:-)	9/29/2020 6:21 AM
201	I'd love to see some ATV trails (with registration/club memberships to help maintain); a dog park would be a great addition since there isn't one in Cumberland; hiking/walking trail improvements	9/29/2020 6:10 AM
202	Would like to see an increase in events that are admission free for families to enjoy. Have vendors there for purchasing opportunities, but don't charge just for entry. ie: Food Truck, Movie Night, Cumberlandfest	9/29/2020 5:44 AM
203	I'd live to see the park have more family events like the food trucks and concerts plus a dog park.	9/29/2020 4:49 AM
204	Other for Diamond hill Park: better fishing access/stocking of Largemouth Bass and Trout. Fishing has been trending lately, good idea to cash in on it.	9/29/2020 2:43 AM
205	such an amazing area... we need to make the most of it!!! make it safe and available for us to all enjoy!!	9/29/2020 12:25 AM
206	Seasonal Celebrations and food truck nights	9/28/2020 11:27 PM
207	I would really love to have a dog park in town	9/28/2020 11:20 PM
208	would love to see some live music and movie nights. Would be fun to be able to have some kid activities. A tubing hill would be a great way to bring in some money for the town.	9/28/2020 11:16 PM
209	Movie nights would be great, food truck nights are great. I think more ascertaining of these activities would be helpful. I think Benches and picnic tables would be great as well. We love the park and go very often. Any upgrades would be wonderful.	9/28/2020 10:57 PM
210	My family's property abuts Diamond Hill Park and I grew up here. It was nice when it used to have picnic areas available. I would like Cumberland to look at WW1 Memorial Park in North Attleboro for inspiration. Our children are teenagers now, but when they were younger it was always so sad that we had to leave town to go to North Attleboro to access all the great activity options for kids when we had a park with plenty of space to implement a similar, if not better, set up.	9/28/2020 10:35 PM
211	We loved attending food truck nights. Another idea, to get more people to attend the park, would be having plays on the stage. For example, Shakespeare in the park! Or Holiday skating events, with Christmas songs, hot chocolate, and cookies! There is so much potential for the park. Maybe better signage for all the different trails, already offered.	9/28/2020 10:20 PM
212	Would love to see more community events if Covid ever ends	9/28/2020 10:09 PM
213	Possible space for a dog park	9/28/2020 10:04 PM
214	Wonderful location to be with nature!	9/28/2020 9:59 PM
215	*	9/28/2020 9:52 PM
216	Movie nights would be great. I would love to see a dog park too	9/28/2020 9:51 PM
217	keep the park a diverse area for all .. Not everyone is on a soccer team or baseball team..	9/28/2020 9:32 PM
218	what about miniature golf. Kids from town could work there as part of their community service.	9/28/2020 9:29 PM
219	Seasonal celebrations, food truck nights, movie nights. Overall the park needs to be more appealing to make it a part of our regular lives. Currently it is dirty and not aesthetically appealing, especially the stage area and stagnant water.	9/28/2020 9:26 PM
220	Biggest issues: old infrastructure. The bathhouse, and lodge have already been cited for refurbishment. The biggest debate is the swamp in front of the stage. If we can't get rid of the swamp, maybe get rid of the stage and let it be the pond it wants to be. On the quick and easy list: Was there this weekend, dangling wires and lights hanging in trees, an open hatch to the	9/28/2020 9:08 PM

	electric hole on the far side of the pond. Kids got into it and had to yell at them. I'd suggest fixing up these dangers right away.	
221	Food truck events are great along with concerts. Better over all for Cumberlandfest too with improvements.	9/28/2020 9:08 PM
222	Schedule activities that are targeted. One time for youngster, others for teens, others for adults, and some for senior citizens.	9/28/2020 9:05 PM
223	Would love to have an ice rink in the winter. It would be a great addition to the town. Plus, there are no outdoor ice rinks in the area.	9/28/2020 9:03 PM
224	More police presence. Kids smoking in parking lot	9/28/2020 8:55 PM
225	Make it a positive park, nature at its best by keeping up with maintenance. Restrooms, trash, etc. Nature walks always welcome.	9/28/2020 8:53 PM
226	I Would love art or gardening classes for all ages. Drama classes for children etc. Many, many of the town children are not involved or interested in sports. Much less of a focus on organized sports!	9/28/2020 8:44 PM
227	Events mire often to.utilize the stage. Events we could use to bring in some extra money for town at times. _wedfings..put in a gazebo) The kids definitely need somewhere. Monastery is not cutting it	9/28/2020 8:41 PM
228	N/a	9/28/2020 8:40 PM
229	My personal opinion, but I feel the pond should be gotten rid of.	9/28/2020 8:34 PM
230	Thank you so much for asking!!	9/28/2020 8:29 PM
231	Concerts, craft fairs, food festivals or craft beer festivals	9/28/2020 8:16 PM
232	Clean the pond up so it is not a complete eyesore, fill in pot holes in parking lot...don't pave it, as that will be too much in maintenance costs to upkeep. Restrooms by sports fields would be a big addition.	9/28/2020 8:15 PM
233	I was surprised and excited to see skate park on the list of improvements. I have a lot of fond memories of skateboarding at the old park at the town hall. Very sad when it was taken down. It would be nice to have a safe place to skateboard nowadays that isn't a street or a parking lot.	9/28/2020 8:15 PM
234	Seasonal celebrations, classes, concerts, food truck nights	9/28/2020 8:12 PM
235	Concerts, food trucks events.	9/28/2020 8:11 PM
236	A dog park area, improved restrooms for events	9/28/2020 8:06 PM
237	A skate park/marked mountain bike trails. Skateboard lessons. Any activities that are geared towards older kids. Splash pad.	9/28/2020 8:05 PM
238	There is a great dog park in Clearwater, FL. It's called Enterprise Dog Park. It is fenced but has wide walking trails for people and their dogs off leash. It fosters community engagement, better health for residents, and happy dogs. Instead of a run, which is often dirty and chaotic with people ignoring their pets to use their phones, Enterprise's design encourages people to exercise with their dogs and annoy nature and their neighbors.	9/28/2020 8:04 PM
239	Would really enjoy a dog run area (if possible to include a nearby area to obtain water.) Would be interested to see nature programs/guided nature walks that shows off all the natural beauty the area holds. Volunteer programs and seasonal events sound like a great way to get everyone in the community involved together and also should attract a lot of neighboring towns.	9/28/2020 7:57 PM

243	Would love concerts and more events!	9/28/2020 7:34 PM
244	So grateful for the park and all it can offer. Concerts, food trucks, quiet , safe walks. Better	9/28/2020 7:32 PM

	lodge options are things I look forward to. Thanks you to the Parks and Recreation team!	
245	A dog park	9/28/2020 7:30 PM
246	turn the stage so it faces the hill and use the hill to make terraces for picnic tables and do away with the lagon	9/28/2020 7:28 PM
247	Concerts and events for families, like food trucks, festivals etc	9/28/2020 7:27 PM
248	I would also love to go sledding with my kids there	9/28/2020 7:21 PM
249	Maintenance has been horrible for the 15 years I've lived here. Me and others have made efforts to clean up but when the town leaves things like old Christmas wreaths in the pond from public events, you wouldn't think that the kids living near the park would have to fish it out with everything else that's been thrown in with it. The wildlife is suffering and fixing the sports fields for the 10th time isn't a matter of importance	9/28/2020 7:15 PM
250	Concerts, movie nights, food trucks, playground, mountain bike club. Make people who rent park cleanup after themselves	9/28/2020 7:14 PM
251	I would like to see more food truck nights and more hiking and riding trails for bikes.	9/28/2020 7:12 PM
252	There is no mention of the pump track and biking at the park. There is a very large population of kids that go to the park for that reason. Please don't get rid of seasonal celebrations, concerts and other special nights they bring the community together.	9/28/2020 6:57 PM
253	A dog park!	9/28/2020 6:56 PM
254	Na	9/28/2020 6:54 PM
255	Ski hills, outdoor ice rink with indoor restrooms	9/28/2020 6:49 PM
256	love the food trucks, maybe an area for children to ride the 12V barbie jeeps etc., smooth paths for strollers/ wheelchairs and adult scooters. Covered pavilions with electricity outlets to reserve for outdoor birthday parties, etc., wintertime tubing park like up in NH or yawgoo valley and have hot chocolate/ hot apple cider vendor for the weekends. Need to get flashing light signs to warn cars of pedestrians trying to cross DH for ice cream. Have contest events like best costume for halloween, baby crawling contest, photo and art contests where residents can leave a vote, dog agility park and contests.	9/28/2020 6:47 PM
257	More invested in the pump track, mountain bike trails (more beginner trails), and a splash pad.	9/28/2020 6:46 PM
258	Walking paths	9/28/2020 6:36 PM
259	The roads need major repair	9/28/2020 6:26 PM
260	Availability to public	9/28/2020 6:25 PM
261	Frankly, the park has been a dirty, neglected, poorly maintained eyesore for a long time. We go elsewhere for many of the choices above (hiking, picnic, garden). Outside of a few community events and fields to watch kids play organized sports, there's little to offer that is clean, respectable and maintained. Pick one or two simple things to work on; plan for bigger improvements in the mean time (like a bigger event space, more extensive project improvements). Give it some identity. It is painfully frustrating to see the level of neglect that pervades there. Make it stop.	9/28/2020 6:23 PM
262	To improve the parking lot/road. Maybe paving it so it doesn't create a dust storm when driving through.	9/28/2020 6:23 PM
263	All of the above- it should be a location that brings the Town together.	9/28/2020 6:22 PM
264	I would love to see just a small electric rope tow for organized sledding over the winter. You have to drive to yawgoo valley for any sort of sledding/tubing in the area. It would pay for itself in a single snowstorm. Would be a great job opportunity for teens in the area as well to "supervise"	9/28/2020 6:21 PM
265	Big mistake not filling in the pond in front of the stage. Doesn't make sense to have a stage with a pond in front it.	9/28/2020 6:18 PM
266	All of the above. Thank you!	9/28/2020 6:16 PM
267	I would like to see more signage to slow traffic on Diamond Hill Rd. I remember the accident	9/28/2020 6:14 PM

	that killed the elderly couple. Also either a better crosswalk or even a foot bridge leading to the Ice Cream Machine. I cringe every summer when I see folks walking there. People drive so fast!!!!!! The town events are always welcome! I hope to see them all return soon!!!	
268	Visit Poncin Hewitt Park Complex and fields in Attleboro. It's a gem and we should follow their lead. Literally copy what they did, it's worth your time to drive over and tour it	9/28/2020 6:13 PM
269	Dog park, we soo many dogs in town, it would be a terrific spots to bring the dog and socialize with friends. We could easily convert one of the baseball fields to dog park and utilize the fencing that is already in place.	9/28/2020 6:08 PM
270	Concerts- family night events- festivals- art & craft fairs	9/28/2020 6:02 PM
271	All of the above would be wonderful! Movie nights, maybe tent camping, concerts, food trucks, festivals, carnivals, and any fun activities for kids or to draw more revenue for the town.	9/28/2020 6:00 PM
272	Diamond Hill park is a valuable environmental, social and economic asset to our community, our commitment to maintain its beauty and vitality today will reward us for generations.	9/28/2020 5:57 PM
273	Children's sporting events and fields development and maintenance (restrooms too) are my priority along with access for dog walking	9/28/2020 5:41 PM
274	The lake in front of the stage needs to go or get updated. It's a trash pool, it dries up and smells. Animals that live in there could be relocated!! Movie nights would be awesome, concerts yes, like the concert series the RI Historical Society does in the summer. Food truck come to those events.	9/28/2020 5:37 PM
275	A bike trail for family bike riding would be great as well as marked hiking trails. Also other family events like concert, food truck, movie nights, yoga etc would be a great addition. Picnic areas and bathrooms would be helpful.	9/28/2020 5:37 PM
276	Besides continued sporting events, concerts in the stage area would be great.	9/28/2020 5:35 PM
277	Rename ski lodge. Name it after a deceased distinguished war veteran.	9/28/2020 5:34 PM
278	Yoga or exercise classes, maybe some type of obstacle course for all ages, Xmas tree lighting, food trucks, if there is an indoor venue, perhaps some classes for painting, crafts etc. can't wait to see what is done. We are retired so don't forget that There are many people available during the workday and work week who would love to have more to do, or volunteer their time	9/28/2020 5:31 PM
279	Love the food trucks night would love more live music!	9/28/2020 5:30 PM
280	Concerts	9/28/2020 5:28 PM
281	N/a	9/28/2020 5:24 PM
282	I'd love to see a disc golf course along the trails. I do not support a dog park.	9/28/2020 5:19 PM
283	I would like to attend more functions where the fees for some if the events are not so high.	9/28/2020 5:18 PM
284	If the pond in front of the stage is to remain, then I suggest that the stage be widened and extended over a portion of the pond. This would allow intimate performances where a small audience could sit against what is now the back wall, the performers would face the audience, allowing the audience to see a performance with the pond and the park as the backdrop.	9/28/2020 5:18 PM
285	Night activity and kid friendly events	9/28/2020 5:15 PM
286	One big pet Peeve are people Who bring their dogs and they let there dogs off leash. Please enforce or put more signage for people to keep their dogs on leash.	9/28/2020 5:08 PM
287	Live music would be wonderful on the stage during the spring / summer . Food truck nights have been a wonderful addition to the park .	9/28/2020 5:01 PM
288	Things that I would like to see: -movie nights, large projection screen on stage -monthly 'local art' event, locals play music on stage, sell art & craft, etc. -weekly farmers market -advanced playground with special needs accommodations -splash pad -interactive horticulture/gardening -small ski lift & terrain shaping for winter sledding -car shows -community yard sale/flea market Other comments -skate park would be too far from population, most skaters get there on foot - there are already plenty of athletic fields in town, adding more may not be optimal	9/28/2020 5:01 PM

289	Guided nature walks, concerts, food trucks, sledding and skating in the winter. What I worry about are the dogs making messes and owners not being held accountable like at the Monastery. I also would like to see events held at that park clean up after themselves.	9/28/2020 4:59 PM
290	Food truck nights are awesome!	9/28/2020 4:57 PM
291	Tennis courts would be great	9/28/2020 4:55 PM
292	Make it snow board park and off road biking trails	9/28/2020 4:49 PM
293	We love the food truck nights and would like to see this continue. I'd like to see the fields available for more pickup type games. As the children get older, many are excluded from high school sports because they can't make the team. They need a place to still have access to the sports they love, despite not being able to make a team, almost like intramural sports in college.	9/28/2020 4:46 PM
294	A physical center like the ski lodge for community events	9/28/2020 4:37 PM
295	More concerts	9/28/2020 4:37 PM
296	I heard a long time ago there was an outdoor skating rink in the winter. They would be amazing to have again.	9/28/2020 4:34 PM
297	Get rid of the stones near the parking lot! Yes food truck events cumberlandfest craft shows concerts.	9/28/2020 4:29 PM
298	Snow tubing run in the winter	9/28/2020 4:28 PM
299	I really don't want much done to the park. No need for taxes to go up, plus shouldn't excess money if any go to schools who are always complaining about money???? Again I don't want taxes raised at all though	9/28/2020 4:26 PM
300	The "children" selection above would not let me select more than one age range	9/28/2020 4:17 PM
301	splash pad	9/28/2020 4:17 PM
302	Find a way to incorporate all items listed above while maintaining security and not letting hoodlums destroy it.	9/28/2020 4:14 PM
303	Love the food trucks!!	9/28/2020 4:11 PM
304	Guided walks, more food truck days, movie area, dog park area, kid play area, kids splash pad area,	9/28/2020 4:06 PM
305	This space is very under utilized. We would love to see a beginner ski hill and tubing!	9/28/2020 4:04 PM
306	Our town needs a dog park. It would be great if a small section could be allocated for this. Thanks	9/28/2020 4:02 PM
307	love to see disk golf and other outdoor activities	9/28/2020 3:58 PM
308	Concerts,nature hiking trails	9/28/2020 3:58 PM
309	Regular concert and food truck schedule	9/28/2020 3:56 PM
310	Guided nature walks at varying days/nights, horticulture program and possibility to rent the ski lodge to local residents for various purposes.	9/28/2020 3:55 PM
311	More events for families	9/28/2020 3:54 PM
312	We would love to have skating in the pond and music on the stage	9/28/2020 3:54 PM
313	Would love to see winter sports incorporated into the plan....ice skating on pond, tubing, cross country skiing/snowshoeing trails.	9/28/2020 3:51 PM
314	Seasonal celebrations and local food events	9/28/2020 3:37 PM
315	Our town needs to continue to add things for families. I think also showcasing local art would be huge and having several places within the park to take nature in. Gardens (see bridge of flowers in Shelburn Falls MA)	9/28/2020 3:36 PM
316	More mountain bike events. Better signs at the trail heads and a trail map.	9/28/2020 3:34 PM

317	Concerts, Food Trucks, seasonal activities like sledding or tubing	9/28/2020 3:33 PM
318	All of the above :)	9/28/2020 3:33 PM
319	The performance stage is such a lovely feature but it is in dire need of maintenance. The "pond" in front of it is unkempt and a breeding ground for mosquitos. It would be so nice to have something done with it. May have it filled in and turn it into lawn seating for performances/movie nights.	9/28/2020 3:32 PM
320	Concerts and dog park!!	9/28/2020 3:31 PM
321	Guided nature walks and programs for children that are affordable	9/28/2020 3:29 PM
322	I love the public events held here. It brings a sense of community to this already warm and welcoming town. I have lived here my entire life and this park is a great amenity here. I am happy we have it!	9/28/2020 3:27 PM
323	As a lifelong resident, I'd like to see the park utilized with nature in mind. The ski lodge could be 2 level with meeting space/group rental space above, add the fireplace back in below (and add one above) for a real community gathering area. The stage should really be upgraded with enclosed wiring and new theatrical lighting to use for concerts:bring in some oldies groups as well as local groups, rock bands, and dance groups. A dog park area could be nice on the outskirts of the park. Also, do not allow any more park land to be sold off! During McKee's administration, he allowed the top of the cliffs to be sold and large homes built on what was park land. Keep as much open space as possible with these ideas. Too much building or changing the park will make it less enjoyable if too much land is built upon. Again, please keep the natural world in your decision-making process.	9/28/2020 3:24 PM
324	This is a great park for Cumberland and neighboring towns. Has a great view from the summit. Please allow sledding on the hill, it was always fun when I was a kid.	9/28/2020 3:22 PM
325	More kid friendly things, like a playground and skate park for teens. Hiking trails would be awesome! Clean restrooms and a place for dogs to run.	9/28/2020 3:20 PM
326	There should be a town fair showcasing our schools, our agriculture, our busienseses. Also, We should have a better/larger facility for weddings and parties. It's such a beautiful spot and people are always looking for places to hold weddings, showers, grad parties but we are usually stuck with a VFW hall or an outrageously expensive restaurant. Like Providence does with the casino at Roger Williams-- you could stipulate the specific caterers used (in-town?)	9/28/2020 3:20 PM
327	Kid friendly events, a dog park would be great!	9/28/2020 3:18 PM
328	Looking for more children's play/ perhaps a splash pad	9/28/2020 3:18 PM
329	I believe the suggestions are great - movie nights, seasonal celebrations, yoga in the park, continued food truck night, sledding in the winter is a must! With a rope tow and good signage please! Maybe even tubing park?! I don't think winter months should mean the park closes. Concerts in the winter as well as seasonal events should continue as well! Thanks so much for asking for input!	9/28/2020 3:18 PM
330	great for all	9/28/2020 3:17 PM
331	Make the park more runner friendly if possible ! :)	9/28/2020 3:16 PM
332	Seasonal celebrations, food truck, nature walks	9/28/2020 3:15 PM
333	Outdoor family friendly events - movie nights, food truck nights, guided hikes, snow tubing	9/28/2020 3:13 PM
334	It's a wonderful place with natural beauty. Would love to see it cleaned up with added gardens & landscaping, picnic tables, lighting, perhaps a gazebo. We've lived in Cumberland all our lives, & within walking distance for the past 28 years. Not that we're older we love taking our grandchildren to the park to enjoy. It's a true treasure!	9/28/2020 3:13 PM
335	Concerts in the park would be nice. They should open it back up to sledding in the winter.	9/28/2020 3:04 PM
336	N/A	9/28/2020 3:03 PM
337	Would love guided nature walks for adults and kids. A playground type structure with areas for different ages, as at Bird Park in Walpole MA.	9/28/2020 3:03 PM
338	It would be great to make a tubing area for the winter, similar to Yagoo. More things to do	9/28/2020 2:58 PM

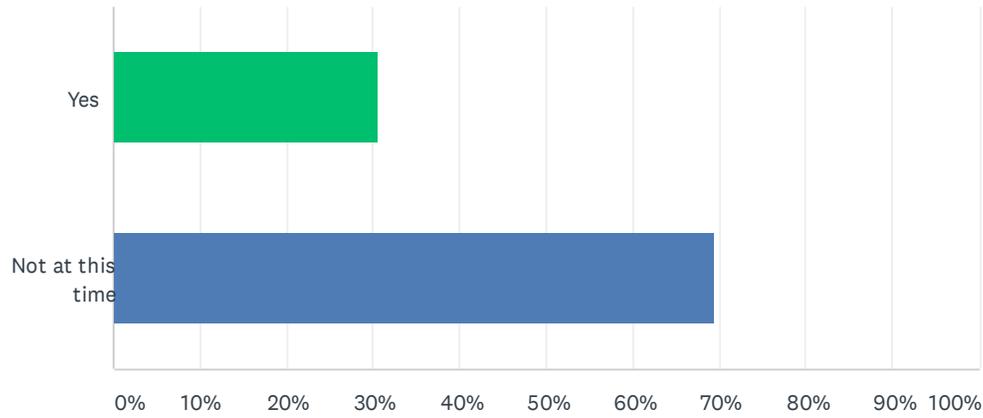

there would be a great start to draw families in. Playground, dog park more food truck days/nights, concret nights or movie night for kids (screen on stage and kids can sit on blankets around the stage and have food trucks or vendors)

339	Some paths that are wheelchair/walker accessible/safe (smooth surface) and wide enough that others can pass so a slow walker can enjoy it without people pushing to get past. Even just one that leads to a pretty area to sit and enjoy the scenery.	9/28/2020 2:57 PM
340	Movie nights, outdoor bingo, concerts, fitness events (tough mudder)	9/28/2020 2:54 PM
341	Seasonal celebrations, movie nights, food truck nights	9/28/2020 2:52 PM
342	A splash pad would be great. Food truck nights concerts and movie nights would be great	9/28/2020 2:50 PM
343	Like they did in North Providence with the Overlook at Notte Park, thought should be put towards updating the lodge which could be rented for Some privates events and become a source of revenue. The building is just too old and ugly and doesn't seem safe to be in.	9/28/2020 2:50 PM
344	Movie Nights would be fun. I heard rumors of a splash pad. Live music, kids outdoor art, fitness, hiking or STEAM programs	9/28/2020 2:49 PM
345	Movie nights, concerts, ice skating/tubing, bike park, family events	9/28/2020 2:45 PM
346	Seasonal events, dog related events, children's events	9/28/2020 2:43 PM
347	Area needs environmental improvements. Waterway flowage, pond and wetland restoration, storm water mitigation measures and erosion control, tree, shrub, planting to improve open space usage and esthetics for a more inviting park experience.	9/28/2020 2:43 PM
348	Seasonal celebrations, movie nights, food trucks are fun,concerts would be great!	9/28/2020 2:41 PM
349	We have kids 2 and 4 and would really like a playground put in soon. We also loved the idea of having the pond be a skating pond with a skate rental and hot chocolate booth in the winter.	9/28/2020 2:40 PM
350	I like all of these ideas. When I was a kid, I went downhill and later, cross country skiing at the park. When my In own kids were young, we went to Cumberlandfest every year. In recent years I've gone with friends to the Irish festival there. It would be wonderful to see the park used a lot more. It has great potential.	9/28/2020 2:40 PM
351	Guided trail walks, outdoor art classes, season celebrations, look back to the park as a ski lodge, rec programs for kids	9/28/2020 2:40 PM
352	I chose 'other' I'm my previous response because I would like to see the pond be used as a public ice rink in the winter.	9/28/2020 2:38 PM
353	Water in front of stage is awful. Move stage and make ski lodge and stage 1 building within the park. Current building is awful shape. New ski lodge within park and combined use year round would be preferred. Playground and or splashpad....check out other towns to see how wonderful they are compared with our park.	9/28/2020 2:38 PM
354	Just good luck with all the projects!!	9/28/2020 2:37 PM
355	Keep the dogs OUT! Build some basketball courts and tennis court to replace the ones BVP took (and has yet to replace) give the youth a dedicated area to play sports they love. For once give Smithfield a run for money!	9/28/2020 2:35 PM
356	Lighting for the sports fields	9/28/2020 2:35 PM
357	Would love an area to let dogs run free	9/28/2020 2:34 PM

359	DHP is a gem for the town, but it needs significant improvements, such as parking and rest rooms to enhance public participation of all the planned activities. As a former chair of the P & R Commission, the initial grant 20 years ago established by the P & R Commission, via Open Space State Grants was a great start to build the new fields, but additional enhancements need to be made to make this site conducive for recreational activities for all individuals, including the elderly and the disabled.	9/28/2020 2:32 PM
360	More use by schools for programs	9/28/2020 2:32 PM
361	Splash park would be great	9/28/2020 2:31 PM

362	A focus on the nature and horticulture the space offers to include outdoor events that spotlight that focus. Cumberland offers such natural beauty .. we need to focus and emphasize that for upcoming generations.	9/28/2020 2:31 PM
363	Movie nights and food truck nights would be great. We could really use a nice playground for our kids. The park is underutilized and could be so nice. Nice walking trails would be great too.	9/28/2020 2:30 PM
364	A splash pad for the kids!	9/28/2020 2:30 PM
365	Would LOVE to see some seasonal celebration options for families. Events usually done at the Monestary would do much better at DHP due to parking and accessibility (Christmas tree lighting, Easter egg hunt) - Weekly live music series in summer/fall - Outdoor yoga on the grass led by local yoga instructors - movie nights - sculpture park (local artists)	9/28/2020 2:29 PM
366	Full in the pond and if a play ground is built make it truly accessible with multiple options for wheelchair bound children not a token music station	9/28/2020 2:29 PM
367	The Ski Lodge is desperately in need of replacement. We need a new building there. Please make that priority number 1. Close behind would be new signage and proper trail maintenance.	9/28/2020 2:28 PM
368	Love the food trucks and movie nights when we had it. Love the dance program as well as the winter wonderland with all the lights and the train!!	9/28/2020 2:27 PM
369	Please no dog park.	9/28/2020 2:26 PM
370	I would like to see more adult events at the park. Concerts, craft fairs, spring and fall festivals, etc. something that can entertain adults with things on the side for kids.	9/28/2020 2:23 PM
371	Concerts and food trucks	9/28/2020 2:23 PM

373	I strongly agree that Diamond Hill state park is a hidden gem in Cumberland that needs a revitalizing. I think tubing in the winter and/or skating rink would be a huge hit	9/28/2020 2:21 PM
374	Concerts and performances by the repaired and functional pond, ice skating if possible and feasible, ski lodge events, park use as a venue	9/28/2020 2:20 PM
375	I think DHP needs a playground for the little kids. I wish they had one when my kids were little!	9/28/2020 2:20 PM
376	Guided nature walks and other nature programming or if public art is on the table of possibilities, guided art walks would be great. More kids events, maybe pairing with the Library for outdoor story walks or storytelling events.	9/28/2020 2:20 PM
377	Would love to see more outdoor concert series, along with food and alcohol vendors. Also vendor fairs, playground equipment, and we love the Winterfest!	9/28/2020 2:17 PM
378	I'd like to see more of all of the aforementioned activities at the park. The park has been neglected for too long. Its condition speaks poorly of the town. We should have more pride in our public properties. I'm very pleased that the Mayor has assigned a high priority to making the park a vibrant public space for all of our residents to enjoy.	9/28/2020 12:26 PM
