Mayor's Office Children, Youth and Learning

Donations

Your financial support means so much to our students and families!

The OCYL is a town department that relies on a variety of funding sources. In addition to municipal funding for our operating budget, OCYL seeks public and private grants, partnerships and sponsorships to help implement and/or fund our programming. Approximately 25% of our families seek financial assistance needed for these educational opportunities. We also rely upon the generosity of individual donors and sponsorships to accomplish our goals.

Tax deductible gifts can be directed toward specific programs.

By January 15, 2021, our goal is to raise \$5,000 for the Annual Home Heating Assistance Program. This is managed by the OCYL with support of the Cumberland Youth Commission. Families in Cumberland are welcome to apply for assistance heating their homes. Donations are accepted year-round.

Credit card/Debit card donations may be made via Paypal. Please note that approximately 3% of your credit card donation pays for banking fees. Please consider this when determining your donation amount. Please use this link:
