

TOWN OF CUMBERLAND

Diamond Hill Park Renovations Building Committee

Whenever a new building or an addition to an existing building, or any new public facility, including buildings and facilities for the School Department, is to be constructed in the Town or elsewhere for the Town, at a planned cost of more than two hundred and fifty thousand dollars (\$250,000.00), a building committee shall be appointed which shall have the responsibility of planning and supervising the construction thereof.
